RESPONSIBLE TO:	Community Connector Project Coordinator/ Social Prescribing Service Manager
JOB PURPOSE:	Social Prescribing - Supporting people with social, emotional and practical needs to improve their health and wellbeing.

1. JOB PURPOSE

- To work in and take referrals from designated GP practices/ Primary Care Networks and key Community based stakeholders.
- To develop person centred plans with clients with clear measurable outcomes using a personalised care approach.
- To deliver one to one support with people who have social, emotional or practical needs, to improve their health, wellbeing and self-care in a variety of settings.
- Support individuals to build networks of support for the routine matters of life, shopping, cooking, cleaning etc.
- To support and encourage clients to participate in activities in the community as a means to improving their health and reducing social isolation.
- Supporting clients to access appropriate services and support in the community to help meet their needs.
- To identify gaps in service provision, community activities and groups and feed-back to HALE.
- To identify and work with the assets that exist in any given community.

3. PRIMARY DUTIES & AREAS OF RESPONSIBILITY

- i. To establish a productive working relationships with staff in designated GP practices and with key stakeholders.
- ii. To take referrals from various health professionals and key stakeholders and provide regular written feedback on interventions provided and outcomes achieved.
- iii. To meet with clients in GP practice/ Community settings as agreed.
- iv. To arrange meetings with clients in their home or a mutually agreed place where required (covid restrictions permitting).
- v. To work with clients to identify/ access appropriate activities/services to meet the client's needs/ interests, considering a holistic approach to address all health and wellbeing needs.
- vi. To support individuals with complex needs to identify appropriate support/ services following appropriate safeguarding policies where relevant.
- vii. To work with existing community groups and identify where gaps in services exist.
- viii. To identify 'hard to reach' groups and use creative and innovative ways to engage them in health promoting activities.
- ix. To attend regular team meetings for updates and to discuss caseloads.
- x. To undertake a risk assessment of the patient's home, in accordance with HALE's procedures

- xi. To reduce barriers to patient engagement in activities i.e. calling ahead to a group, to arrange appointments and transport and may also go with them to an activity or help orientation
- xii. To produce quarterly reports on work carried out
- xiii. To promote and publicise HALE activities.
- xiv. To monitor and evaluate all work through HALE’s monitoring procedures.
- xv. To ensure the implementation of HALE’s equal rights policies in all aspects of the work.
- xvi. To provide regular written/spoken reports and analysis of work to the Project Manager/Management Committee as required.
- xvii. All staff will attend training and comply with Information Governance, data protection and confidentiality policies procedures and code of conduct.
- xviii. To adhere to lone working policies and manage own personal safety using HALE policies.
- xix. To actively participate in supervision.
- xx. To demonstrate a commitment to continuing professional development and to attend mandatory training.
- xxi. To carry out such other tasks as are required to meet the aims and objectives of the organisation and contribute to the smooth running of the office.

4. COMMUNICATION & WORKING RELATIONSHIPS

To work and communicate with GP staff, communities, community groups, voluntary and statutory agencies operating in the HALE Project area and outside this area as is appropriate.

5. SPECIAL WORKING CONDITIONS

Travel around the Bradford and district area, work in a variety of settings, occasional transporting of service users/ resources for events and work occasional unsocial hours evenings and weekends where required.

6. REHABILITATION OF OFFENDERS ACT 1994

Because of the nature of the work, this post is exempt from the provisions of Section 4(2) of the Rehabilitation of Offenders Act 1994 (Exceptions) Order 1995. Applicants for posts are not entitled to withhold information about convictions which for other purposes are “spent” under the provisions of the Act and in the event of employment any failure to disclose such convictions could result in disciplinary action or dismissal by HALE. Any information given will be completely confidential and will be considered only in relation to an applicant of a position to which the order applies.
